i got a new personal griddle (purple of course). i love it! it closes like a waffle iron, so it's got cooking surfaces on the top and bottom. it takes about 3 minutes to heat up and cooks a scrambled egg in two minutes, two pieces of bread (i tore the corners off to make it round and the right size) in two minutes. and a piece of ham (about 1/8 inch thick) in a minute.
that's all i've tried so far.
next i think i'll try some pancakes. of course, you can only make one at a time, so this would not be the thing to get if you are cooking for a family, but for joe and i; it's perfect.

1 t. rosemary
