The letter sweaters might only make a brief appearance at each performance, but The Lettermen harmony is non-stop. From their first hit in 1961, "The Way You Look Tonight," through current hits of today, the sound is undeniably Lettermen. Eighteen Gold Albums worldwide and scores of top singles attest to a popularity that has endured. The current Lettermen consist of Tony Butala (the group's founding original member), Donovan Tea (an accomplished singer and songwriter who joined the group in 1984), and Bobby Poynton (who first joined The Lettermen in 1989 and recently returned to the group). Whether singing a cappella or backed by an entire symphony orchestra, the Lettermen theme still remains the love song. Lending that well-known harmony to every arrangement, they have proven love ballads will stand the test of time. Tickets are \$29 for adults and \$21 for students, with group rates available.
